What you will do while here with us for this course For 1 Day.

GWO BST FIRST AID REFRESHER

Our GWO First Aid Refresher will refresh the skills and knowledge previously acquired from attending an initial GWO First Aid course and revalidates your GWO certification on WINDA.

Our course is designed to enable participants to continue work in a safe manner and meet emergency response requirements in accordance with the GWO Basic Safety Training Refresher standard.

Participants completing GWO First Aid 1 Day Refresher training will be able to demonstrate a basic knowledge of

The psychological effects of first aid for a first aider

Sudden sickness and environmental factors.

Different Types of trauma

Incident management and situational awareness

Managing and administering first aid during complex incidents with multiple casualties

The course involves a combination of practical, simulated and theoretical training.

A GWO First Aid Refresher training course includes;

Law and guidelines, global and regional

Risk assessment and accident reporting

Anatomy, structure, functions and symptoms

Use of first aid principles in emergency situations

Serious and minor illness, injuries and incidents, Incident Management

Safety procedures, Psychological first aid ,Updating and refreshing correct use of first aid equipment, knowledge and skills in a series of first aid medical emergency scenarios.
